

Participating Councils & Assemblies,

I am very happy to report that this year's "Carry the Cross" Challenge was a big success! Because of the participation and the donations from your fellow Knights and from your parish congregations, the 13 CrossBearer Teams were able to raise over \$16,000 on the CTC website. On Monday December 4th, our financial Secretary and Treasurer will be writing checks to the following 23 Seminarians who are studying to become priests and serve our parishes in the greater Atlanta area....

Your monetary donations will help these guys to focus on their studies and not worry quite so much about their finances, as they take up their "Cross" to follow Our Lord where He leads them. Again, many thanks for your participation. I hope the members of your Team had a good time, and although I cannot guarantee good weather for every Challenge, please come back to participate in next year's Challenge (Saturday, Nov. 2, 2024). We'll try to make it bigger & better and raise even more money for our Seminarians! Vivat Jesus ... WGK Mike Meehan
